PROGRAM SCHEDULE:

June 7th - Treasures of the Gulf: Oysters and Aquaculture. Join us as we talk with a representative from the MS Department of Marine Resources about Oyster reefs and their importance to the Gulf Coast.

June 14th - We Got All Kinds of Shrimp! Learn from a local shrimper about the challenges and efforts necessary to survive in today's shrimping industry. Ask questions about the job, equipment and life on the shrimp boat.

June 21th - Jaws: The Fascination Behind the Franchise! Join us for the stories that inspired the blockbuster film. Learn how the movie was made, how the shark attacks of 1916 played a role in film, and how the effects of each attack affected the world's opinion on sharks. Not for the faint of heart!

June 28th - Weave a Tail: Mermaid Doll Keychain. Weave in and out of the waves and make a splash at the library. Join Ms. Rebecca and learn how to make a macramé mermaid keychain. Feel free to bring your own yarn to use, but materials will be provided by the Friends of the Library.

July 5th - Gone Fishin': The Hot Spots & What-nots to Catch the Big One! Join local fishermen as they share stories about the one that got away. Anglers of any experience are invited to discuss favorite fishing spots both fresh and salt water. Hear about lures, tackle, and "fishin' stories."

July 12th - Life's a Beach: Seaside Crafts. Learn from Rebecca as she shows how to make beachy crafts for the home. All supplies furnished by the Friends of the Library.

VIRTUAL FACEBOOK PROGRAM

Monday, July 11th - On Facebook - Bozo's: An Inside Look. Take a look behind the scenes with George, EC manager, at one of the most well-known seafood restaurants on the Gulf Coast. He will be talking with the owner about the rich and varied history of Bozo's as well as its impact on our coastal communities. **Facebook @JacksonGeorgeLibrary**
