PROGRAM SCHEDULE:

June 9th - 5:30 p.m. Explore the Titanic! The first stop on our oceanic journey around the world us back in time to April 15, 1912. Explore the Titanic through displays, pictures, and replica items from that time period. See that frightful morning how the passengers experienced this tragedy.

June 16th - 5:30 p.m. Halló and welcome to Iceland! The next stop on our oceanic journey will bring us to Iceland. Learn about Iceland and its coastal clear lakes, continental plates, underwater caverns, and volcanic terrain. Make a craft from mason jars with sea life images, too.. All crafts and supplies are provided by the Friends of the library.

June 23rd - 5:30 p.m. Explore Belize! Next up on our oceanic journey is the Caribbean country of Belize and

(continued) the Great Blue Hole. It is a world class destination for diving, and a rich habitat for marine life. Enjoy making crafts with supplies provided by the Friends.

June 30th - 5:30 p.m. - Maldives & Indian Ocean! The next destination on our oceanic journey brings us to the Indian Ocean. Visit the Maldives and the underwater restaurant with panoramic views of the ocean and the sealife. No need to remember your snorkel gear for this adventure, just bring your creativity for mermaid rock painting!

July 7th - 5:30 p.m. Kon'nichiwa! Welcome to Japan! The next stop on our oceanic journey will be the Eastern Asian country of Japan. Learn about the first underwater post office in the world. Decorate a Japanese Lantern! Supplies furnished by the Friends.

July 14, 2022 @ 5:30 p.m. Explore the Great Barrier Reef! Our grand finale around the world is the Great Barrier Reef - one of the Seven Wonders of the World. it's the only living thing visible from space. Painting beautiful seashells provided by the Friends of the Library.

VIRTUAL FACEBOOK PROGRAM

June 8th - 5:30 p.m. Join us for a **VIRTUAL TOUR of the Institute for Marine Mammal Studies (IMMS)** located in Gulfport, MS. See the facilities and animals they rescue and rehabilitate. IMMS is an educational outlet, hosting programs for conservation, education, and research of marine life. Presented by Theresa Madrigal.
