Use the links below to download the OneClickdigital Media Manager to your Windows or MAC computer.

If you need further assistance, please contact OneClickdigital Support at **877-77-AUDIO / 877-772-8346** or, please email us at [support@oneclickdigital.com](mailto:support@oneclickdigital.com) We will do our best to respond within 24-48 business hours.

**eBook Desktop App**

**Register for a WEBINAR on OneClickdigital HERE!**

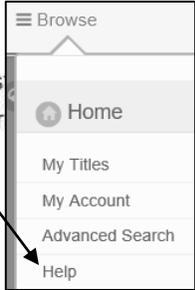

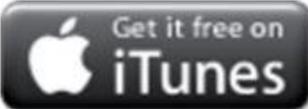

**eAudio Desktop Apps**

OS requirements for the MAC are OS 10.7 or higher. OS requirements for Windows is Vista or higher. Use the links below to download the OneClickdigital eAudio and eBook Apps to your Android or Kindle App enabled devices.

Apple devices require iOS 5.0 or later. Android devices require OS 2.3.3 and later.

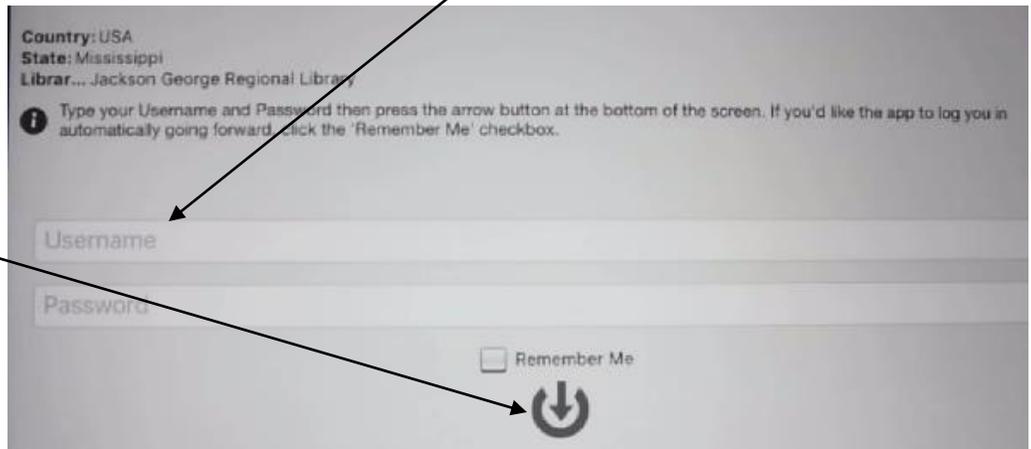

**Mobile Apps**

2. Click on the appropriate Mobile App icon for your device. If you are using an iPhone or iPad, you will click **“Get it free on iTunes”**. If you are using an Android device, you will click on **“Android App on Google Play”**. If you are using a Kindle Fire, you will click on **“Available at Amazon Appstore for Android”**.

3. After the OneClickdigital App for Recorded Books has been installed, you must select your country, state, and library. You will then log in using the **username** and **password** you created during registration.

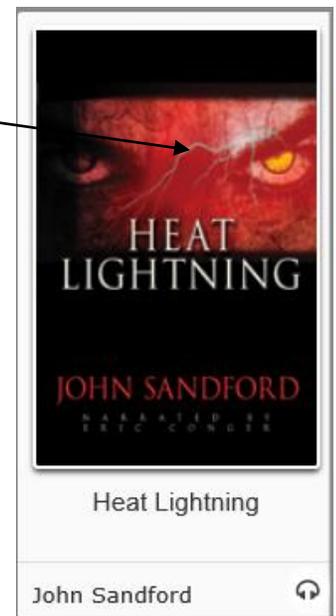

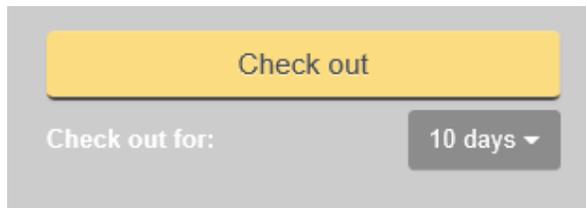

4. Click **“Remember me”** if you do not want to log in each time you use the app and then the **arrow** to finish logging in.

6. Click **“Search”** at the bottom of the screen to check out books.

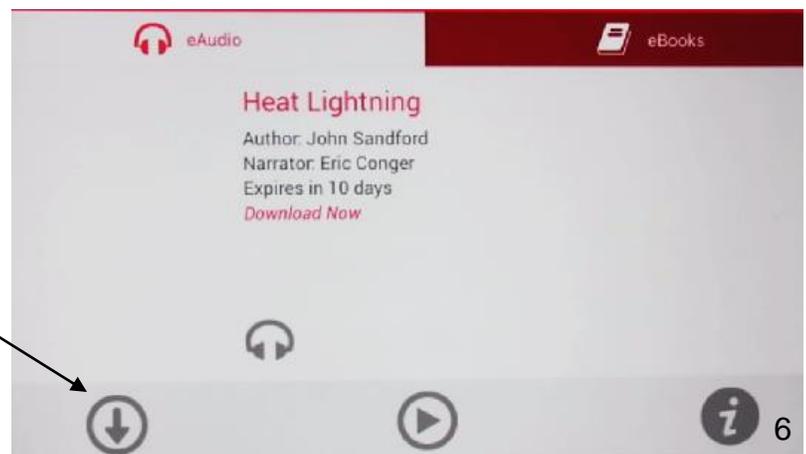

5. To check out a book, click on its cover and then click **“Check out”**.

8. Click the **X** at the bottom of the screen to exit the browser.

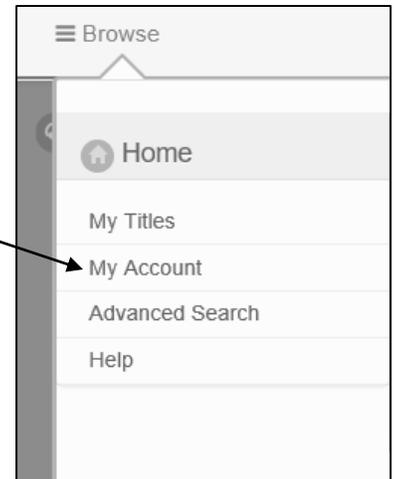

7. Click the **center play button** to listen to your audio book. Clicking the **arrow** will download the book to your device.

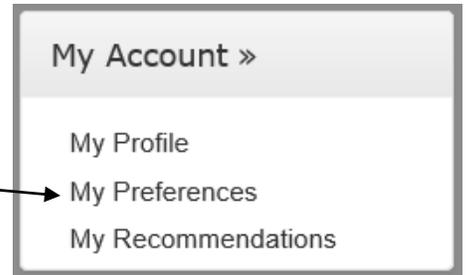

## OneClickdigital – Automatic Downloads

1. After you have logged in, click on “**Browse**” in the top left corner. Go to “**My Account**”.

2. Under “**My Account**”, you will see “**My Profile**”, “**My Preferences**”, and “**My Recommendations**”.
3. Click on “**My Preferences**”.

4. If you prefer for your books to be automatically downloaded to your device or computer, check “**Yes**”.

### **Please Note:**

For cellphones and tablets that use cellular data:

By checking “**Yes**”, OneClickdigital will download books using **cellular data** if you are not connected to a Wi-Fi network. **This may result in additional charges on your cellular bill.**

We suggest that you download books only when your device is connected to a Wi-Fi network.
