

Let's Be Friends!

The Friends of the Library would like to invite you to be a part of our Friends group and support your Jackson-George Regional Library.

Mission Statement

The Friends of the Library strive to enhance the programs, resources and services of the Library through fund raising, active participation in projects and programs, and raising awareness of the needs and services of the library throughout the community.

- Friends lobby for and help raise funds to support libraries and expanded library services.
- They host book sales, cultural events like authors' receptions, community classes, and art shows.
- The work (and play) of a friends organization is as varied as its membership, and the scope of its projects limited only by those members' imaginations.
- Most of all, though, Friends stand ready to volunteer their time, talents and influence when needed, to promote, improve and expand library services - and, by doing so, improve the quality of life in their communities.

Why should I join the Friends of the Library?

Our public library needs your help if it is to become the truly exceptional library it can be, capable of meeting the informational and educational needs of our community.

Our library can - and should - touch the life of every member of our community, from the preschooler to the senior citizen.

The library needs you on its team. That team already includes our staff, volunteers and trustees.

But, You gotta have Friends! With you on our team, we gain a valuable ally in our quest to reach a common goal - making our public library the best it can be. If you want to share in that goal, we want you on our team.

How can I become a Friend?

Anyone can join our Friends group by completing the attached membership form on the other side of this brochure.

Complete the form and return it to the library along with your dues.

Annual dues entitle you to membership for a period of one year. Dues are renewable in the Spring each year. The exact date varies from branch to branch.

What are my responsibilities as a Friend?

That's up to you. We want you to be as involved in the Friends - and our library - as you want to be.

Now, isn't that the perfect Friendship?
