A UNIVERSE OF STORIES

ENTER TO WIN!
Maxlapter 70mm Telescope
will be given away -
to be drawn by July 15!

2019 TEEN Summer Library Programs

JUNE 4 - Universal Meltdown! Make constellation creations with melted crayons swirl art and Shrinky-Dink galaxies that fit in the palm of your hand. All materials provided.

JUNE 11 - Steven Universe Terrariums! Arrange a mini-world complete with faux gems and plants. All materials provided.

JUNE 18 - Eye Spy Astronomy! Learn how to explore the top 10 objects in space, visible with binoculars or just your eyes.

JUNE 25 - Sci-Fi Camp! Learn the simple science behind sci-fi movies and TV. Dr. Who vs the Dalek robots, make a Star Wars landspeeder, complete a scavenger hunt with E.T., and win a rocket race with air vs water propulsion.

JULY 2 - Diverse in the Universe! Join in the celebration of differences and commonalities of all beings. We will discuss how understanding each other makes us stronger. Peacemakers inherit the Earth.

JULY 9 - Mars Space Race Breakout Room! Whose team of astronauts will make it to "Space" and "Walk on Mars" first? Game On!

Tuesdays @ 2:00 pm

Programs are free! Earn prizes! Bring friends!
