Summer Programs available for all ages offered at JGRLS.

The Jackson George Regional Library System is hosting its annual Summer Library Program from June 1st to June 30th. The program includes a full schedule of events for all ages, with kick-off events at selected branches. The theme this year is "Adventure Begins at Your Library", and families are encouraged to participate in the fun and learning activities together.

Bethany Carlisle, the library's Youth Service Coordinator, is excited to offer a program that promotes positivity and entertainment for families. The program includes participation levels and activities suitable for all ages, from birth to adult. The library hopes to reach even more children and families this year, especially those who are new to the area.

Elementary students can enjoy themed activities, such as Pet Adventures, Storytelling is an Adventure, Adventures at the Estuary, and Mississippi Blues Adventure. All programs are free for adults and children, and many will offer the chance to win door prizes. Local businesses and Friends of the Library groups have donated food and prizes.

June 3 – June 6: Pet Adventures - Friends of Jackson County Animal Shelter Pets

June 10 – June 13: Storytelling is an Adventure - Deborah Adero Furguson the Dancing Story Lady

June 17 – June 20: Adventures at the Estuary – Grand Bay National Estuarine Research Reserve

June 24 – June 27 Mississippi Blues Adventure - Shannon “Bayou” Williford and Titus Gillard
