### **Singing River Genealogy and Local History Library: Preserve Old Family Documents and Photos & Seeks Yearbook**

Moss Point, MS — The Singing River Genealogy and Local History Library is on a mission to preserve local history and is offering services to help residents preserve their family history. They are also calling for donations of high school yearbooks from Jackson and George counties.

### **Preserve Your Family Documents and Photos**

Let us help you preserve your family history! Visit the Singing River Library, currently located in Moss Point Library, or contact us at [research@jgris.org](mailto:research@jgris.org) or 228-769-3078. We can assist with digitizing your photos, documents, negatives, slides, cassettes, and VHS tapes. If you would like to donate a digital copy, please let us know, and we will add it to our collection.

### **Yearbook Donations Needed**

The library is also seeking donations of high school yearbooks from Jackson and George counties. Yearbooks from elementary through high school are welcome, with a preference for older editions in good condition. These yearbooks provide valuable insights into the past and help build a comprehensive archive for future generations.

Residents are encouraged to check their attics and bookshelves for any yearbooks they may wish to contribute. Donations can be dropped off at any local Jackson-George Regional Library System branch or directly at the Moss Point Ina Thompson (SRGLH Branch).

"Preserving our local history is a community effort," said Laura Thompson, Singing River Genealogy Local History branch manager. "We urge everyone to spread the word and consider donating to help us maintain this important collection."

For more information on either service, contact the Singing River Genealogy and Local History Library at 228-769-3078 or email at [srmgr@jgrls.org](mailto:srmgr@jgrls.org).

Help spread the word by asking your friends and family to contribute!
