Music, Stories, and Community Come Together at the Levitt AMP Moss Point Music Series

MOSS POINT, Miss. – The Walter Anderson Museum of Art, in partnership with Moss Point Main Street and the City of Moss Point, is excited to launch the **Levitt AMP Moss Point Music Series**, presented by the Maddox Foundation. This free outdoor concert series will bring nationally acclaimed musicians, local vendors, community organizations, and family-friendly entertainment to Riverfront Park on seven Saturdays this fall.

Adding to this year's exciting lineup, the **Ina Thompson Moss Point Library**, a branch of the Jackson-George Regional Library System, will host a **Pop-Up Library Experience** at each concert, offering families an opportunity to discover library resources while enjoying an evening of music and community.

The Pop-Up Library will feature:

- Children's books and family-friendly reading materials
- Interactive literacy and STEAM activities
- Crafts and hands-on activities for children
- Library card registration and information about free digital resources
- Giveaways and special library promotions

One of the featured attractions will be "**Tell Your Story, Moss Point**," an interactive community storytelling space where residents and visitors are invited to share memories, family traditions, local history, and what makes Moss Point special. Stories may be written, illustrated, or recorded and will help celebrate the unique voices and rich heritage of the community.

"The library is excited to be part of this incredible community celebration," said Stephanie Packer, Public Relations & Marketing Specialist for the Jackson-George Regional Library System. "Libraries are about more than books—they're places where stories begin, connections are made, and communities grow. Through our Pop-Up Library and 'Tell Your Story, Moss Point' experience, we hope families will create lasting memories while celebrating everything that makes Moss Point unique."

The Levitt AMP Moss Point Music Series transforms Riverfront Park into a welcoming gathering place where residents and visitors can enjoy free live music, local food, community partners, children's activities, and family fun in a vibrant outdoor setting. Guests are encouraged to bring lawn chairs or blankets and spend the evening enjoying one of America's premier free outdoor music series.

The 2026 concert lineup includes:
