JGRLS Highlights Freegal Music: Free Music Streaming and Downloads with Your Library Card

PASCAGOULA, Miss. — Your Jackson-George Regional Library System library card can connect you to more than books. This month, JGRLS is encouraging library cardholders to discover **Freegal Music**, an e-resource that puts music right at their fingertips.

Available through participating JGRLS library services, Freegal allows users to **create playlists, stream songs and albums, and download songs to keep**. The platform also offers **AI-powered search and recommendations**, making it easier to discover new music and revisit old favorites.

Whether you're building the perfect workout playlist, looking for music for your next road trip, or simply ready to discover something new, Freegal provides another way to enjoy the benefits of your library card.
